

One Hillsborough – Press Release

January 5, 2022

Press Release

January 20th, Hillsborough, NJ -- One Hillsborough, a new cross-cultural community advocacy coalition in collaboration with Hillsborough Township sponsorship, invites all citizens to its first town-wide platform for community conversations to be held on January 20th, 2023, from 6:00–9:00 PM at the Hillsborough Municipal Building located at 379 South Branch Road in Hillsborough. Sandwiches and refreshments will be served, courtesy of the HEA Pride Committee.

This ongoing community effort focuses on the common thread of diversity, equity, inclusion, and belonging for all residents of Hillsborough. The initial four topics to be addressed are government, public safety, education, and community involvement, and will include Township leaders as well as interactive discussion on issues facing the community in each of these areas. Discussion groups by topic will be co-facilitated by the HHS Student Diversity Initiative and everyday citizens, teachers, and community representatives involved with One Hillsborough.

One Hillsborough is committed to continuing to develop and host this new platform for civic engagement throughout the year to structurally provide forums and channels to facilitate access and opportunity for all who reside within the township particularly those from underrepresented and unheard groups. The principal objective is to promote equal communication with all community services providers and organizations without the boundaries of race, ethnicity, age, gender, religion, or political affiliation. All are welcome to be a part of this movement to join in partnership and goodwill that begins with basic conversations seeking to live up to the reputation of one of “the best places to live” for everyone...
